

National requirements and regulations:

Austria

Satellite symposia are not eligible for accreditation in Austria. Any application for a satellite symposium (sponsored or not) taking place in Austria will therefore automatically be rejected.

CME provider: Only generally recognized, scientific societies and organisations which demonstrably organise professional CPD on a regular basis and have a medical background (it is essential that a physician takes responsibility for the CPD-activities) are eligible as medical CPD providers [cf. § 17 (1) CPD Regulations].

Germany

For events taking place in Germany, you will need to submit a separate application on the relevant Ärztekammer's website in order for German doctors to be able to receive their credits:

United Kingdom (UK)

For events taking place in the UK, you will need to provide the following additional information:

A short statement or biography, in addition to name, title and place of work, is required for each speaker/facilitator of your event to inform us of their experience of delivering educational material.
